Section 2: Aims and objectives

Our aims are to:

- Increase access to the curriculum for pupils with a disability
- Improve and maintain access to the physical environment
- Improve the delivery of written information to pupils

The table below sets out how the academy will achieve these aims.

Aim	Current good practice <i>Include established practice and practice under development</i>	Objectives <i>State short, medium and long-term objectives</i>	Actions to be taken	Person responsible	Date to complete actions by	Success criteria
Increase access to the curriculum for pupils with a disability	The academy works closely with hearing impairment team to enable one child with hearing impairments to access the curriculum. Hearing support service provides support, training and resources for key members of staff. The visual impairment team also support with one child.			Jacinta Gordon		Pupils with disabilities access the curriculum successfully
Improve and maintain access to the physical environment	4 pupils require a PEEP for fire evacuation. Previously year group locations were swapped in order to accommodate a child on crutches. The building has undergone major refurbishment including a new building as such all areas are compliant with DDA		PEEP written for individual child	Kate Pettifer Jacinta Gordon		All pupils and parents are able to access all areas of the site.

Improve the delivery of verbal information to pupils	Hearing support service and visual support service provide support, training and resources on delivering lessons for pupils with hearing and visual impairments. Teachers and relevant support staff work closely with this service and ensure that all material is suitably adapted for relevant children.			Jacinta Gordon
