

Wellbeing Award for Schools

Earlier this week Oakway underwent a rigorous assessment day in support of our application for the Wellbeing Award for Schools and we are delighted to confirm that we achieved it! The award recognises all of the good work that happens in school to support pupils, staff and parents in relation to promoting their emotional wellbeing and mental health. Thank you to those parents who took the time to complete the surveys when they were sent out and also to those who came and met with the assessor. Once we receive the written report we will share some of the feedback.

The Assessor was particularly impressed with the pupils that she met and said that they were lucky to attend Oakway.

In the meantime more information about the types of support on offer to all of our stakeholders can be found on our website at [Additional Support - Oakway Academy](#)
