

In January 2024, we were reviewed by Ofsted and are delighted to say we have been rated a “Good” school in every category reviewed. Here are some quotes from the report...

‘Staff know their key children well and can identify what they need to learn next. Children feel safe, demonstrating their strong bonds with their key worker as they seek them out for a hug and reassurance.’

‘Staff provide activities that they know children will enjoy, and they ensure that all children can access the curriculum. The curriculum helps children to become ready for their transition to school. Staff develop children's independence.’

‘Parents speak highly of the pre-school. They say that their children are very happy to attend. Parents know the pre-school offers a library service and they can borrow books to read with their children.’
