

Oakway Academy's Anti Bullying Ambassadors have had a busy first term.

Ambassadors were elected by their peers and started the year understanding their role and completing scenario work to know how best to support and when. The ambassadors can be seen on the playgrounds at playtimes wearing their pink bibs..

Pupil voice was gathered this term.

Here is what Oakway pupils had to say!

What do AB ambassadors do and are they easily visible?

Noah, Anti Bullying Ambassador Y3 -
My role is to help and report bullying.
Tell an adult if someone is sad.

Artar Birch - Ambassadors wear pink and white shirts.

Mina Y4 - AB Ambassadors help children when they are sad and upset.
They wear pink bibs.

Questionnaires were devised in term 1 to seek pupil voice and the data was analysed. Here's what some classes had to say!

6C - 27/27 children stated they feel happy and safe in school .

5B - stated playing football, taking part in lessons, and teamwork makes them happy in school.

4A - 21/23 pupils feel safe in school.

1A - knew who to talk to in school if they had a concern.

What does being an upstander not a bystander mean?

Angela Y6 - "being an upstander means standing up for what you see".

Artar - "help them and say something".

What should you do if you witness bullying?

Nelu Y5 - "tell an adult".

Adam Y6 - "tell them to stop and tell an adult".

National Anti-bullying day was celebrated with lots of children and adults supporting being 'unique' by wearing odd socks. This was wonderful to see! Respect was the focus this year!

"If you see someone not smiling, share your smile with them".
