Since September 2024 we have now been running our own After School Club which is run in the Studio each evening.

Following a successful grant application to North Northamptonshire Council we are pleased to confirm that After School Club now runs until 6pm each evening with parents able to book their child for a whole session for £6 or a top up following attendance at LM Academy for only £3.

Children are collected from their classrooms and walked to The Studio ready for after school club fun!

Bookings can be made for ad hoc days if you need extra childcare, or regular bookings can be made for the whole term. All bookings can be made via ParentMail or by speaking to the office. We are able to accept tax-free childcare vouchers as payment. Please speak to us if you wish to pay using this method.

Focus on After School Club

The children have been working with Rob to learn all about the grounds and have enjoyed spending time in the Forest School area.

The after school club children took advantage of the sunshine last week with a picnic snack time outside on the playground!
